
Ability for Small Business Sustainability

2019 SMALL BUSINESS SUSTAINABILITY SUMMIT

#SOENGAGED2019

What is business Sustainability?

Triple bottom line

In other words...

- Healthy environment
- Thriving economy
- Vibrant community

Sustainability is about:

- Your business
- Our community
- Our power to make a difference

Business Sustainability is forward thinking

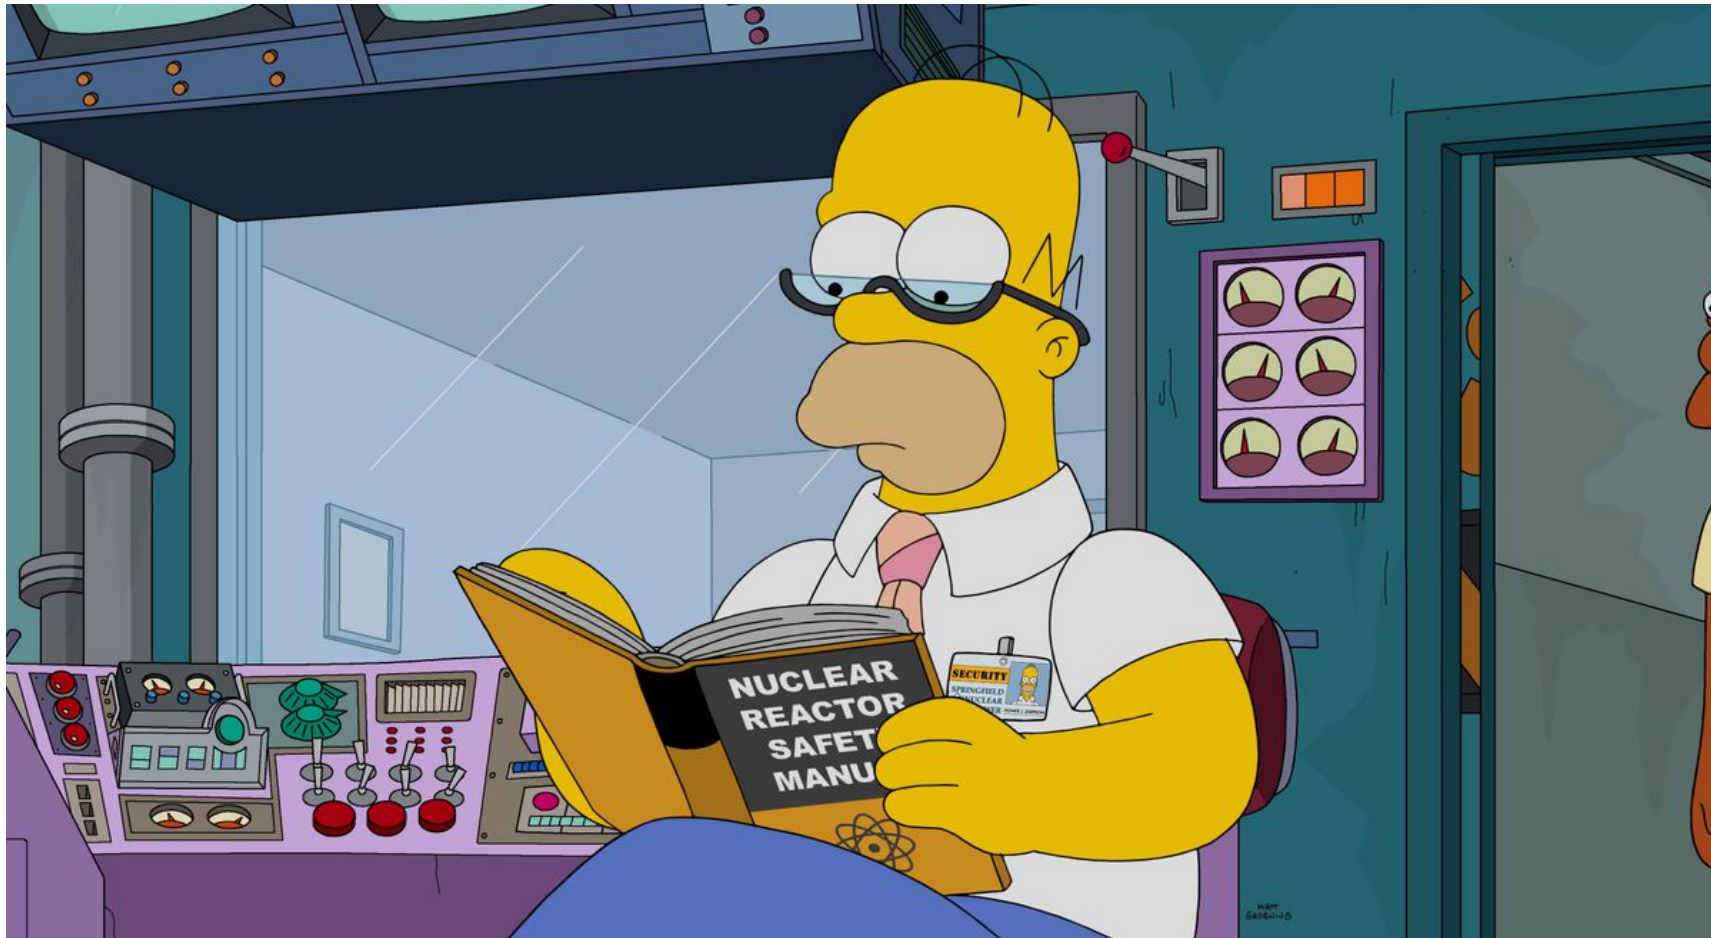

Forward
THINKING

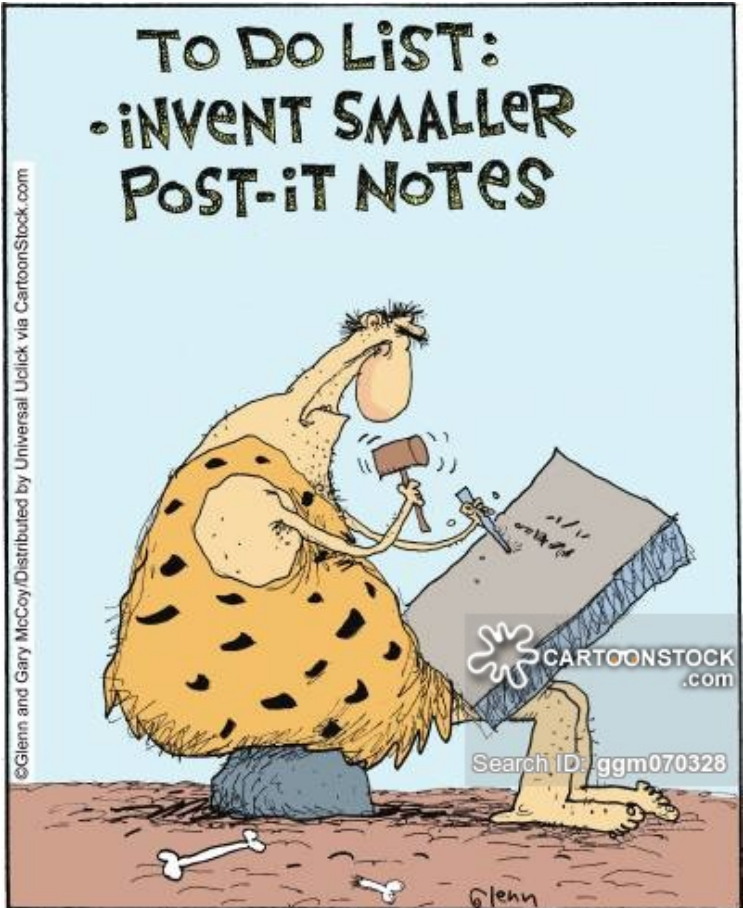

Business Sustainability excites owners, managers, customers and employees...

and results in full commitment.

To help you develop your own list of actions...

because, in sustainability, one size doesn't fit all.

Instead, a toolbox of options

The take away-

We have the power to make a difference

And

There are tools to help us get it done
